## Unique Clinic Opportunities Offered through Equine Affaire's Ride With The Best Program

**London, OH (September 10, 2009)** - Equine Affaire will return to Fairplex in Pomona, CA, February 4–7, 2010, and attract horse enthusiasts from throughout the Southwest and beyond. Over the four days of the event, Equine Affaire's legendary educational program will include more than 130 different clinics, seminars, and demonstrations on a broad range of equine disciplines and horse-related topics conducted by many of the nation's foremost coaches, competitors, horse trainers, and other equine professionals.

While training clinics presented at Equine Affaire will be conducted for the benefit of all attendees, these clinics also offer rare opportunities for selected riders and horses to receive individual instruction and training from nationally-recognized industry professionals to whom access may not otherwise be available. Included in the roster of exceptional trainers who will be conducting clinics on "general" horsemanship and horse training topics (including problem solving and colt starting) are **Craig Cameron, Tommy Garland, Stacy Westfall, Ken McNabb, and Richard Winters**. Clinicians offering sessions within the English disciplines are **Nick Karazissis** (*hunters & jumpers*) and **Hardy Zantke** (*driving*). Clinics covering western disciplines will be presented by **Sharon Camarillo** (*barrel racing & pole bending*), **Stacy Westfall** (*reining*), **Barbra Schulte** (*cutting*), and **Mark Shaffer** (*western pleasure*). Additionally, **Daniel Stewart, Larry Whitesell, and Scot Hansen** will be offering sessions on "Ride Right," easy gaited horses, and trail riding, respectively. The modest fees for clinics in Equine Affaire's Ride With The Best program range from \$65 for a single clinic to \$175 for a two-part clinic and include clinic participation, event admission, and stabling.

While some clinicians are seeking riders and horses with specific skills or problems, others are seeking any riders interested in improving their relationships with their horses. Clinicians will select the participants for their sessions from written applications and videos submitted to Equine Affaire. Clinic details and an application are available at [www.equineaffaire.com](http://www.equineaffaire.com). Interested riders may also request a Ride With The Best information packet by contacting Paula Woodward at [program@equineaffaire.com](mailto:program@equineaffaire.com) or by calling (740) 845-0085 ext. 109. Whether you're trying to enhance your jumping skills, lower your barrel racing run time, improve your driving skills, fine tune your reining patterns, or have your horse trained by one of the top horse trainers in the nation, you won't want to miss the opportunity to participate in Equine Affaire's Ride With The Best program. Contact Equine Affaire now; *the clinic application deadline is December 7th!*
